**Sceptre Power Enjoyed Good Reception at Del Mar Electronics and Design Show (DMEDS), April 30-May 1, 2014**

Dear Customers and Visitors,

Sceptre Power had a good reception at the recent Del Mar Electronics and Design Show on April 30 and May 1, 2014 in Del Mar, CA.

City of Del Mar, well-known for its racing tracks, located about 20 miles north of San Diego, California, held its annual OEM electronics show on April 30 and May 1, 2014. The 2-day event has attracted over two thousands of electronics professionals all over Southern California and other parts of USA and Mexico. During the 2-day electronics show, Sceptre Power has displayed a broad range of power supply products for medical and industrial applications.

Ivan was introducing a new Medical Power Supply to visitors.

Jim was explaining to the visitor about power supply products

If you need further assistance to your power supply requirements, please contact SCEPTRE POWER® at 560 South Melrose Street, Placentia CA 92870 USA. Tel: (714) 993-6970, Fax: (714) 993-6023, Email: [sales@gpelectronics.com](mailto:sales@gpelectronics.com), Website: [www.sceptrepower.com](http://www.sceptrepower.com), [www.gpelectronics.com](http://www.gpelectronics.com)

We look forward to serving you and fulfill your needs in the near future!

Sincerely,

Sceptre Power/Golden Pacific Electronics, Inc
